Building a Better Tomorrow Campaign
Sample Email Message to Your Contact List...**

Email Message (*Example to copy and paste in your email*):

I hope this message finds you well. I am reaching out to you for a little help. There is a local organization called Stafford Junction that serves children and families living in poverty in Stafford County. They provide educational programs for children from preschool through high school, including Educational Kits and tutoring. They also provide them and their families with meals to feed hungry bellies through their Tide Me Over Bags. In addition, they provide other services that help lift families out of poverty by giving them a hand up setting them on a path to a brighter future.

Stafford Junction relies on people like you to carry out these programs. Here is how you can help. I am asking 2 things: first, please donate. Your gift will make a difference to a family in need. I would not ask for your support, if I did not believe in Stafford Junction and their mission, I have already made my personal donation. Second and most important, after you make your donation, please forward this to all of your contacts. I am hoping to reach as many people as possible with this.

Simply go to <http://staffordjunction.org/bbtc2021/> to make your donation.
