WE NEED YOUR SUPPORT

Stafford Junction relies on our community to provide programs to low income children and their families in Stafford County. Your monetary donations are a large part of what keeps us going. We are so close to meeting our 2021 Building A Better Tomorrow Campaign Goal! Your gift allows us to continue providing programs and services to those who need it most. If you would like to support us, please visit <http://staffordjunction.org/bbtc2021/>.

SUMMER JUNCTION

We are gearing up for our Summer Junction program, this program provides activities to help combat summer learning loss while having fun. Summer Programs have been proven to have a positive influence on children’s cognitive, behavioral, physical, social, and emotional development. Summer Junction provides low income children with meaningful experiences, skills, and achievements that they would normally not have access to. Your donations help provide education, maintain math/reading levels, reduce hunger insecurity by providing meals during activities, field trips, and provide the chance for meaningful youth-adult relationships to restore trust in youth who are at-risk. Summer Junction starts off with a week of STEAM (Science, Technology, Engineering, Art, Math) camp, followed by the Stafford County Sheriff’s Office Baseball Camp, 4 weeks of Camp NorthStar at Stafford Junction consisting of reading, math, art, and physical activity, ending with a week of soccer camp.
