

Junction Spotlight

Mission: Transforming Lives Through Faith and Action
June 16, 2021 - Vol 20

WE NEED YOUR SUPPORT

Stafford Junction relies on our community to provide programs to low income children and their families in Stafford County. Your monetary donations are a large part of what keeps us going. We are so close to meeting our 2021 Building A Better Tomorrow Campaign Goal! Your gift allows us to continue providing programs and services to those who need it most. If you would like to support us, please visit <http://staffordjunction.org/bbtc2021/>.

2021 BBTC GOAL

Groundbreaking

Looking To The Future

Kelsey Fitzgerald Cartledge Memorial Outdoor Educational Classroom

On May 25th, a groundbreaking ceremony was held for the Kelsey Fitzgerald Cartledge Memorial Outdoor Educational Classroom at Stafford Junction. An outdoor classroom offers the opportunity to renew children’s enthusiasm for learning by spending more time outdoors close to nature. With shelter from inclement weather, the children will be able to participate in various outdoor activities giving them the opportunity to be outside of the building. They will be able to observe the nesting and feeding routines of local birds, learn about the weather by using various environmental measurement systems in a weather station, take nature exploration walks around the Stafford Junction property trail, and participate in many learning adventures that will heighten their appreciation of the world around us. A new world of learning opportunities will be available to all of the children that participate in our programs while they explore the outdoor wonders of our community.
