2022 BUILDING A BETTER TOMORROW CAMPAIGN

Our annual Building a Better Tomorrow Campaign has begun. The campaign counts on the generosity and support of individuals, businesses, and area churches to fund our programs.

During our campaign, we will be sharing stories about how our programs positively impact a child or a family's life.

These gifts help fund programs for families in our 7 low-income neighborhoods.

LEARNING – HARD WORK - REWARDS

Participants in our Brain Builders after-school tutoring program were rewarded for their hard work during their first semester of the school year. After reviewing their report cards, staff found that ten of our students made the Honor Roll!

Stafford Junction is proud to support these students that strive to excel in their academics. As a reward, Staff provided, an evening of fun at our facility. Two High schoolers, Meni and Nnesivva, and four Middle schoolers, Kayla, Osvaldo, Obed, and Latrayal enjoyed a fun Friday evening. They watched a movie, played UNO, and video games. As part of their reward, they made and enjoyed nachos and ate ice cream.

Third-quarter report cards are due out this week, and we are looking forward to seeing their latest accomplishments. We hope to provide opportunities to reward the hard work, dedication, and effort our students put forth and to support them every step of the way through our programs.
