

JUNCTION SPOTLIGHT

May 5th, 2022
Volume 33

2022 BUILDING A BETTER TOMORROW CAMPAIGN

Our annual Building a Better Tomorrow Campaign has begun. The campaign counts on the generosity and support of individuals, businesses, and area churches to fund our programs.

During our campaign, we will be sharing stories about how our programs positively impact a child or a family's life.

These gifts help fund programs for families in our 7 low-income neighborhoods.

GROWING UP WITH THE JUNCTION

Joseph has been a part of Stafford Junction activities since he was a baby in his mother's arms and she participated in our Life Skills and Healthy Living Pays programs. Through the years Joseph has been involved in many Stafford Junction activities without his mother including Young Eagles (flying for kids ages 8 - 17), Baseball Camps, STEAM, Brain Builders, and Summer Junction.

In the past two years, his participation has expanded to include volunteering his time. He has helped distribute registration forms and Tide Me Over Bags in the neighborhoods we serve. He is active in Stafford Junction outings enjoying the fishing, sports camps, and nature walks. Twelve-year-old Joseph, along with Jaden, Osvaldo, and Kayla, attended the YMCA Healthy Kids Day in April where they played basketball, ran the color run, and finished the day with a tennis camp. We look forward to seeing Joseph continue along his path to adulthood as he participates and develops further skills with Stafford Junction programs.
