

JUNCTION SPOTLIGHT

July 6, 2022
Volume 37

BUILDING A BETTER TOMORROW

Stafford Junction relies on our community to provide programs to underserved children and their families in Stafford County.

Your monetary donations are a large part of what keeps us going in that your gift allows us to continue providing programs and services to those who need it most.

If you would like to make a difference and support our work, please visit:

Stafford Junction
Where Lives Connect

Setting the Example

Liliana has been a Stafford Junction participant for six years in Brain Builders, Summer Junction and STEAM camp. Last year, she became a summer volunteer setting a great example for her younger siblings who are now enjoying and prospering from the same programs that Stafford Junction offers.

During last year's Summer Junction, Liliana assisted with the reading, math and art/crafts as well as outdoor exercise rotations. Her seven-year-old sister, Ariana, has been enrolled in Brain Builders the past two years and enjoyed Summer Junction along with four-year-old sister Tatiana.

This summer is no different as Liliana is again volunteering while Ariana and Tatiana are taking part in Summer Junction 2022.

They are all setting a good example for their two-year-old brother Reyli, who we look forward to seeing in three years!
